PROFESSIONAL EXPERIENCE

UI/UX Designer | Motivity Labs Inc.

Dec 2024 – Present | Hyderabad, Telangana, India

- Design user-centered web and mobile experiences based on business requirements, user needs, and product goals.
- Create user flows, wireframes, high-fidelity interfaces, interactive prototypes, and responsive layouts.
- Translate complex requirements into clear, intuitive, and scalable user experiences.
- Collaborate with product managers, developers, stakeholders, and cross-functional teams throughout the design lifecycle.
- Iterate designs based on client and stakeholder feedback while maintaining consistency across product experiences.
- Create and maintain reusable UI patterns and design system components.
- Prepare organized designs and interaction specifications for developer handoff.
- Use AI-assisted tools for ideation, design exploration, rapid prototyping, and UX workflow efficiency.

Junior UI/UX Designer | Jigya Software Services

Mar 2024 – Dec 2024 | Hyderabad, Telangana, India

- Designed user interfaces and user experiences for web and digital products.
- Created user flows, wireframes, prototypes, and visual designs based on product requirements.
- Collaborated with development teams to support accurate design implementation.
- Contributed to user-centered design improvements and iterative product development.

Junior UX Designer | Stylosoft

Jul 2022 – Mar 2024 | Hyderabad, Telangana, India

- Spearheaded the design of web and mobile applications, focusing on seamless user experiences and visual aesthetics.

- Created user flows, wireframes, prototypes, and high-fidelity UI screens.
- Worked with development teams to translate designs into functional digital experiences.
- Applied visual design and usability principles to maintain clear and consistent interfaces.
